Welcome Aboard!

Lockwood Boat Works — family owned & operated since 1946 — that's 66 years! Located on the Cheesequake Creek off the Raritan Bay in central New Jersey.

Lockwood's pride ourselves on product knowledge. Our staff is educated on the products we sell, service and install. We keep abreast of industry trends by attending yearly seminars and workshops. We employ Coast Guard qualified captains and factory licensed mechanics.

The third generation of the Lockwood Family has joined our staff. They, along with our other employees, provide personalized friendly service — that's what makes our yard so special. Our knowledge comes from first-hand experience with powerboats and sailboats. We have a chance to test and evaluate the products we sell!

Our store exemplifies the full service marina. We maintain a well-stocked ship chandlery. The service repair yard is second to none! It is neat and clean for your safety as well as your enjoyment. The docks are top notch and all docks are floating!

A wide range of products for every type boat is available! We have extensive sailboat hardware, mooring equipment, marine paint, and engine parts. Everything from A to Z! If we don't have the item in stock, we will make every effort to get it for you. Please, put us to the test! We welcome the opportunity to serve you.

Welcome to Lockwood Boat Works!
We hope you enjoy your stay!
